Consent will be given if **You** can **satisfy Our Administrator** that

A) there are reasonable prospects of successfully pursuing or defending the **Legal Proceedings**

and

If there is any disagreement as to whether **Legal Proceedings** are necessary **You** can take the matter to an independent arbitrator as detailed in Requirement 4 J).

iii) In the period before **Our Administrator** agrees that **Legal Proceedings** are necessary **Our Administrator** reserves the right to seek to obtain a settlement on **Your** behalf. The settlement will be subject to **Your** agreement which **You** will not unreasonably refuse.

You must not enter or offer to enter into any agreement to settle without **Our Administrator's** prior written consent. Any such agreement must take into account **Our** interest in the recovery of costs.

You must not, without **Our Administrator's** written consent, enter into any agreement with the **Appointed Representative** as to the payment of **Legal Expenses**.

I) **Recovery of costs and expenses**

You, through the **Appointed Representative**, will be responsible for the repayment to **Us** of any

- ii) costs agreed to be paid to **You** as part of any settlement.

When the total amount of **Legal Expenses** incurred is within £100,000 **You** and **We** will share any **Legal Expenses** that are recovered according to the proportion paid.

Where the total cost of the legal action exceeds the £100,000 **You** and **We** will have priority over any other parties with an interest in any costs recovery. **You** and **We** shall share such recovery according to the proportion paid, subject to **Our** right of recovery being restricted to **£100,000**.

11 Economic, Financial or Trade Sanctions

If any such **Prohibition** takes effect during the **Period of Insurance** **We** or **You** may cancel that part of this **Policy** which is prohibited or restricted with immediate effect by giving written notice to **You** or **Us** at the last known address.

If the whole or any part of the **Policy** is cancelled **We** shall if and to the extent that it does not breach any **Prohibition** give **You** a full refund of premium for any unexpired period of cover. **We** will do this only if **You** have not made a claim during the **Period of Insurance**.

Who are we?

We are Royal & Sun Alliance Insurance plc (RSA), a member of the RSA Group of companies. We provide commercial and consumer insurance products and services under a number of brands.

Why do we collect and use your personal information?

As an insurer, we need your personal information to understand the level of insurance cover you require. We'll use this information (e.g. your name, address, telephone number and email address) to communicate with you and if you have agreed.

We may need to check your information with external companies/ organisations (e.g. the DVLA, the Motor Insurance Database, credit reference agencies and criminal conviction checks.) When buying certain products, sometimes we will ask for special categories of personal data (e.g. driving offences for motor insurance, medical records in case of injury).

Once you become a customer, we'll need to take your payment details to set up your cover. This could be direct debit, credit or debit card information.

If you need to claim against your insurance policy, we will need to collect information about the incident and this may be shared with other selected companies to help process the claim. If other people are involved in the incident, we may also need to collect additional information about them which can include special categories of personal data (e.g. injury and health data).

In submitting an application, we may be provided with equivalent or substantially similar information relating to other proposed beneficiaries under the policy. You agree that you will bring this Privacy Notice to the attention of each beneficiary at the earliest possible opportunity.

- **Compliance with a legal obligation:** Where laws or regulations may require us to use your personal information in certain ways.
- **Legitimate Interests:** We will also process your personal information where this processing is in our "legitimate interests". When relying on this condition, we are required to carry out a balancing test of our interests in using your personal information (for example, carrying out analytical research), against the interests you have as a citizen and the rights you have under data protection laws. The outcome of this balancing test will determine whether we can use your personal information in the ways described in this Privacy Notice. We will always act reasonably and give full and proper consideration to your interests in carrying out this balancing test.

Where else do we collect information about you?

We will receive details about you from other people or companies. For example:

- Given to us by someone who applied for an insurance product on your behalf (e.g. an insurance broker) where you have given them the permission to do so; or
- Lawfully collected from other sources (e.g. Motor Insurance Database, Claims and Underwriting Exchange or fraud prevention databases) to validate the information you have provided to us.

We request those third parties to comply with data protection laws and to be transparent about any such disclosures. If you would like some further information, please contact us.

Will we share your personal information with anyone else?

We do not disclose your information outside of the RSA Group except:

- Where we need to check the information provided to us before we can offer you an insurance product (e.g. reference agencies);
- Where we are required or permitted to do so by law or relevant regulatory authority (e.g. financial crime screening, fraud detection/prevention);
- Where we provide insurance services in partnership with other companies;
- In the event that we are bought or we sell any business or assets, in which case we will disclose your personal information to the prospective buyer of such business or assets;
- As required to enforce or apply this Privacy Notice, or the contract of insurance itself;
- Within our group for administrative purposes;

- As required in order to give effect to contractual arrangements we have in place with any insurance broker and/or intermediary through which you have arranged this policy;
- With healthcare providers in the context of any relevant claim being made against your policy;
- If we appoint a third party to process and settle claims under the policy on our behalf, in which case we will make your personal information available to them for the purposes of processing and settling such claims;
- With our third party service providers (including hosting/storage providers, research agencies, technology suppliers etc.);
- With our reinsurers (and brokers of reinsurers) in connection with the normal operation of our business;

Sometimes your personal information may be sent to other parties outside of the European Economic Area (EEA) in connection with the purposes set out above. We will take all reasonable steps to ensure that your personal information is treated securely and in accordance with this Privacy Notice, and in doing so may rely on certain "transfer mechanisms" such as the EU-US Privacy Shield, and the standard contractual clauses approved by the European Commission. If you would like further information please contact us.

Which decisions made about you will be automated?

Before we can offer you an insurance product or service, we may need to conduct the following activities, which involve automated (computer based) decision-making:

- **Pricing and Underwriting** – this process calculates the insurance risks based on the information that you have supplied. This will be used to calculate the premium you will have to pay.
- **Credit Referencing** – using the information given, calculations are performed to evaluate your credit rating. This rating will help us to evaluate your ability to pay for the quoted products and services.
- **Automated Claims** – some small claims may qualify for automated processing, which will check the information you provide, resulting in a settlement or rejection of your claim.

The results of these automated decision-making processes may limit the products and services we can offer you. If you do not agree with the result, you have the right to request that we perform a manual reassessment using the same information that you originally provided. If you wish to do so please contact us.

For how long will we keep your information?

Your personal information will be retained under one or more of the following criteria:

- Where the personal information is used to provide you with the correct insurance cover, which will be kept as long as it is required to fulfil the conditions of the insurance contract.

- Where, for a limited period of time, we are using some of your information to improve the products or services we provide.

In each case under section 5 above, we will stop using your information unless we can reasonably demonstrate legitimate grounds for continuing to use it in the manner you are objecting to.

If you would like to request any of the above, please contact us and submit a written request, including the request reference (e.g. DSR 1), as this will speed up your request. - Your name;
- Address(es);
- Date of birth;
- Any policy IDs or reference numbers that you have along with a copy of your photo identification.

Wherever possible, we will respond within one month from receipt of the request, but if we don't, we will notify you of anticipated timelines ahead of the one month deadline.
